DESCRIPTION OF EVENT IN 50-100 WORDS:

On October 5, 2024, the School of Pharmacy at Anjuman-I-Islam's Kalsekar Technical Campus (AIKTC) welcomed D'Mart Private Limited for a campus pool drive. This event was organized to recruit students for the positions of Pharmacist and Trainee Pharmacist, offering them valuable opportunities to build their careers in a respected retail chain.

The placement drive commenced with an orientation session held in the School of Pharmacy's digital classroom, where representatives from D'Mart introduced students to the organization's vision, work culture, and role expectations. This presentation offered insights into D'Mart's operations and emphasized the responsibilities and growth opportunities available for pharmacists within the Pan India company. The orientation aimed to align student expectations with the company's objectives and establish a clear understanding of the roles being offered for the stores of multiple location in Navi-Mumbai, Thane and Mumbai.

Following the orientation, the shortlisted students proceeded to the Dean's conference room for their interviews. The recruitment process was led by Mr. Arshad Siddique, Manager (Business head) at D'Mart pharmacy, along with Mr. Vishal Pawar from the Human Resources department. Their expertise and approach created a conducive environment for evaluating students' technical knowledge, interpersonal skills, and suitability for the role.

Overall, the placement drive concluded successfully, reinforcing AIKTC's commitment to providing quality career opportunities for its students in collaboration with reputable industry partners like D'Mart.
