Minutes of the Meeting

On September 19, 2024, the Civil Engineering and Electrical & Computer Engineering departments at AIKTC proudly hosted the inauguration ceremony of the newly formed IEI (Institution of Engineers, India) Students' Chapter. This milestone event, held at the institution's auditorium, marked the chapter's official launch, with a clear mission to promote collaboration and professional growth among the engineering community.

The proceedings opened with a heartfelt welcome speech by Dr. Rajendra Magar, Dean, School of Engineering & Technology, who spoke passionately about the importance of establishing a local IEI chapter. He highlighted how this new platform would not only provide opportunities for networking but also drive skill development and foster stronger ties between academia and industry. His remarks reflected a deep belief in the potential of the chapter to significantly elevate the professional abilities of both students and practicing engineers.

Dr. Ramjan Khatik, Director, AIKTC in his address, underscored the immense value that the IEI Students' Chapter brings to the academic and professional landscape of AIKTC. He emphasized that the formation of this chapter represents a crucial step toward bridging the gap between theoretical knowledge and practical industry skills for engineering students. He congratulates the students and the Head of the Department for establishment of Students' Chapter.

The ceremony's keynote speakers, Dr. Nilaj Deshmukh, Chairperson of the IEI Navi Mumbai Local Chapter, and Er. Keshev Varkhedekar, Ex-Chairman, IEI Local Chapter, Navi Mumbai and Er. Prabhakar Phulari, Secretary of the same chapter, each delivered impactful speeches. They emphasized the importance of ongoing professional development and the crucial role

engineers play in advancing society through innovation and technology. Their words resonated with the audience, reinforcing the idea that engineers are vital to the development of sustainable and forward-thinking solutions.

A symbolic gesture followed, with the unveiling of a gift-wrapped certificate that officially signalled the chapter's beginning. This moment captured the spirit of excitement and anticipation for what lies ahead—an era where students can connect, collaborate, and cultivate their professional journey within the engineering field.

The event concluded on a high note, with Dr. Afzal Shaikh delivering a vote of thanks. He expressed sincere gratitude to all the dignitaries, faculty members, and students for their enthusiastic participation and support, which ensured the event's success.

With this successful inauguration, the IEI Students' Chapter is set to organize a variety of future initiatives, such as workshops, seminars, and collaborative projects, all aimed at providing students with the skills and experiences necessary for thriving in the real world.
