**DESCRIPTION OF EVENT IN 50-100 WORDS:**

The Indian Pharmaceutical Congress (IPC) stands as the most significant annual event for the pharmacy profession in India. Over the years, it has evolved into a prominent platform showcasing the advancements in the field. 74th Indian Pharmaceutical Congress, is hosted by the Association of Pharmaceutical Teachers of India (APTI), was held in Bengaluru in December 2025. The theme this year is **"AI & technology in Pharma: Educate, Innovate, Empower".** Total five teams (10 students, guided by Dr. Abusufiyan, Prof. Jayshree, Prof Ziyaul and Prof. Tabres) from the School of Pharmacy have attended and presented the posters at the Indian Pharmaceutical Congress at Bengaluru during 19th–21st December 2025, marking a first for the institute which is reflecting the growing research engagement and academic exposure of our students. The students have successfully presented their posters after acceptance through the prescribed review process.
