### Introduction to Project Development

- Mr. Ahtesham Shaikh began the seminar by defining the core principles of project development. He emphasized the importance of understanding project scope, objectives, and stakeholder expectations.

### Project Planning and Design

- The speaker highlighted the significance of planning in project development. He discussed various planning tools such as Gantt charts . Mr. Ahtesham Shaikh stressed the necessity of a well-defined project charter and clear milestone mapping to ensure project alignment and timely delivery.

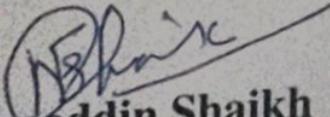

### Outcome of Event:

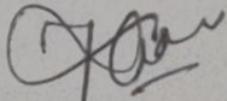

1. Participants gained a clearer understanding of project development processes and planning.

**STUDENT'S FEEDBACK LINK** : All the students enjoyed the session with active participation throughout the session. The session was concluded by collecting student's feedback. The feedback indicated that the motive of the session was to encourage students to set a time for learning.

Subject: Thanking for conducting an expert session on " Guidelines about Project Development ".

Dear Sir,

We heartily thank and appreciate you for acting as an expert for conducting an "Seminar on Guidelines about Project Development " For the students of SY & TY B.Sc.IT. on 30st July 2024.

It will be greatly appreciated if you continue sparing your invaluable time and make yourself available for our students in future too.

We hope you have enjoyed the moments with our students.

With gratitude for your kind patronage.

Thank You.

Received with Thanks.
