Attachments: 1. Photograph (JPG, HEIC format)
2. Attendees

Event Description

On 5 November 2024, **AIKTC NEW PANVEL** organized an industrial visit to **Belimo** Automation, a leading manufacturer of innovative actuators, valves, and sensors for the HVAC industry. The eventful day provided us with valuable insights into the company's operations, products, and culture.

The visit commenced with a warm welcome at 9.15 am and a hearty breakfast from

National HVAC Specialist, **Tushar Shinde** sir at 10:45 am, setting the tone for an engaging day ahead. We then participated in an informative session, followed by a series of interactive games and quizzes that tested our knowledge and skills.

A delicious lunch was served at 12:45 pm, providing an opportunity to network with the Belimo team and fellow students. The afternoon session resumed with more engaging activities, culminating in a tea break at 3:00 pm.

Throughout the day, we gained a deeper understanding of Belimo's cutting-edge technologies, manufacturing processes, and commitment to innovation. The visit concluded at 4:30 pm, by Prof Saad sir expressing final words on importance of this Industry visit and significance of time management as shown by company, followed by leaving us with memorable experiences, new knowledge, and inspiration for our future endeavors.
