The Anatomy of Research

An immersive workshop on research ideas, paper writing and getting published.

Prof. Rohit Mujumdar
School of Environment and Architecture (SEA)

Prof. Rohit, teaches at the School of Environment and Architecture, Mumbai; whose current research seeks to articulate Architectures of (Ex)Foliation as a heuristic frame to inquire into and engage with the 'ordinary' visions and practices of climate mitigation and adaptation

He is the co-founder of the Collective Research Initiatives Trust, an extra-curricular space for undertaking research, pedagogy and intervention on urban space and contemporary cultural practices in the MMR, and taught at the KRVI.

Prof. Mandar Dhuri
VES College of Architecture

Ar. Mandar, is an individual who believes in Architecture as a Way of Life & finds himself intrigued with research on design process & methodologies as well as exploring ways to stretch imagination through opening up questions and structure arguments.

An exposure of more than two decades of professional practice & over 20 years of experience as an academic with his engagements in Course Structuring, Thesis Workshops, Paper presentation etc. He is the Convenor for the Ar. Kamal Iyer Design Competition (KIDC), founded in 2015 at AIKTC, Navi Mumbai.

17th Sept 2022
Registration fees Rs. 650/-

Limited seats only

The one-day workshop for faculties and professionals in architecture aims to inform on how to ideate a research proposal, create a methodology and follow through on academic writing.

The workshop will also feature a one-on-one session where the experts will help participants formulate a research idea that could be converted to a paper.
