Description of the event in 50-100 words:

Title: Startup Bootcamp for Pharmacy Students

Date: 18 July 2026

Time: 11:00 AM – 12:00 PM

Venue: Seminar Hall, School of Pharmacy, AIKTC, Navi Mumbai

The **Pharmacy incubation cell**, in association with the Kalsekar incubation center, organized a **Startup Bootcamp** for pharmacy students. The session was conducted by **Prof. Abdulmajid Ansari**, Coordinator, Kalsekar Incubation Center.

Prof. Ansari introduced students to the startup ecosystem, innovation, and entrepreneurship opportunities available in the healthcare and pharmaceutical sectors. He explained the process of transforming innovative ideas into successful startups through problem identification, market validation, business model development, intellectual property protection, and funding opportunities.

Students were also introduced to the support provided by the Kalsekar Incubation Center, including mentoring, incubation facilities, networking opportunities, and access to government startup schemes. Real-life startup success stories inspired students to pursue entrepreneurship alongside their academic careers.

The session concluded with an engaging interaction where students discussed their startup ideas and learned about the next steps for converting them into viable business ventures.

Beneficiaries: 100 Pharmacy Students

Outcome: The programme encouraged entrepreneurial thinking and motivated students to explore innovation-driven career opportunities in pharmacy.
