Event Description:

Two of our students, Talha Shaikh and Altamash Momin from the Final Year of the Mechanical Engineering Department, participated in the "Resilience Techmasters," an innovative project or idea competition organized by M.H. SABOO SIDDIK COLLEGE OF ENGINEERING under their I.E.T.E. institute level chapter, held on 6th February. The competition comprised two rounds, namely, the Presentation of Idea and the Prototype Presentation. Their project titled "Staircase Climbing Mechanism For Wheel Chair," guided and mentored by Prof. Zakir Ansari, secured the 2nd prize. It is noteworthy that over 100 teams participated in the first round, and out of these, 25 teams, including ours, advanced to the round 2 finale held on 6th February. Our students' achievement is a testament to their hard work, dedication, and innovative spirit.

Innovative Teaching - Exuberant Learning

Vision : To be the most sought after academic, research and practice based department of Mechanical Engineering that others would wish to emulate.
