DATE: Monday, 2nd January 2023 to 6th January 2023

Workshop Time: 9:00am-05:00pm

**Venue: AIKTC SOA Material Laboratory, Plot no #2 & 3, Sector –
16, Near Thana Naka, Khanda Gaon, New Panvel, Navi
Mumbai – 410206.**

Reporting time: 09:00am (PLEASE BE ON TIME OR YOU MIGHT MISS ON THE ORIENTATION)

About the AIKTC – SOA ECOSYSTEM

Ecosystem is an attempt to bring back physicality to architecture education in a more structured environment to supplement the existing syllabus and learning modalities. Ecosystem aims to consolidate, within the same system, various verticals of architectural education sorted by elements of material/technology acting as independent wings that collaborate at a grand level to impart hands-on skills to students and participants from all walks of the industry.

It is also in the greater interest of Ecosystem, to set up within itself a repository of resource people, material, knowledge systems and research ideas that will be an asset to the larger design community and architectural fraternity. Ecosystem will set itself up as a single point of contact for professionals and students, to access and experience alternative systems of construction or experiment with material themselves.

Innovative Teaching - Exuberant Learning

Vision : To be the most sought after Technical campus that others would wish to emulate.
