**DESCRIPTION OF EVENT IN 50-100 WORDS:**

To commemorate "Teacher's, Engineer's, and Pharmacist's" month, the library organized a two-day "Book Exhibition-cum-Sale" on September 5th and 6th, 2018. The event was inaugurated by Dr. Abdul Razak Honnutagi, Director, alongside Deans and Heads of Departments. Two vendors and ten publishers set up stalls featuring over 1000 titles covering engineering, pharmacy, architecture (both curriculum and extracurricular), basic sciences, and humanities. Additionally, more than 100 new books were added to the library's collection. The Book Exhibition-cum-Sale was highly impressive and attracted both students and staff, resulting in significant book purchases. The event received positive feedback from both the staff and students.
