DESCRIPTION OF EVENT IN 50-100 WORDS:

University of Mumbai has organized 19th Avishkar: Inter-Collegiate / Institute / Department Research Convention for its affiliated colleges, constituent colleges, recognized institutes and academic departments. The Convention is designed with the intention to develop a research culture and scientific mind-set among the students and research scholars. The activity will also help to develop skill, review new dimensions of explored areas of knowledge as well as the unexplored areas of enquiry. To get the exposure to such research conventions, TY and final year students presented poster at NCRD's Sterling Institute of Pharmacy, Nerul, Navi Mumbai on 13th Dec, 2025. Poster presentations at research conventions platform provide students with valuable opportunities to develop, offer a multifaceted learning experience helping students develop essential professional skills and contributing to their overall growth as researchers and scholars.
