SCHOOL OF ARCHITECTURE

ADMISSIONS OPEN FOR BACHELORS IN ARCHITECTURE.

ABOUT

AI'S KALSEKAR TECHNICAL CAMPUS

Anjuman-I-Islam Trust founded by Hon. Badruddin Tayyabji, in 1874, has set an unparalleled example by knitting together over 95 institutions in the area of education, technology and healthcare. AI's Kalsekar Technical Campus established in 2011, is an integrated technical campus offering courses in Architecture, Engineering and Pharmacy.

SCHOOL OF ARCHITECTURE

AI's Kalsekar Technical Campus School of Architecture has completed a decade of learning and created exuberant professions in Architecture and Allied fields of design.

This course will help students to explore their potential in Architectural Design by providing solutions to Space Design Problems and enhancing spaces into unique experiences. Students will also learn to improve their skills by hands-on learning as well as developing experimental and critical thinking techniques, Volumetric Design, Visual Communication, Landscape, Building Construction, Theory of Structures, Building Services, Architectural Theory, History, People & Culture, Urban Design & Planning, Town & Transportation planning, Environmental Science & Sustainability, Building Materials & sciences

WHY AI'S KALSEKAR TECHNICAL CAMPUS ?
