Suggestions:

Overall all teachers are superbb..
ALL IS GOOD.... ♡ 😊
Use board for explaining concept.
There is no need for improvement
It is good teaching but teachers should take there lecs on time,and practicals are good
Highly graded faculty should be accommodate 2. College should take active participation in field trips..
1) Over all teaching is very good. 2) extra curricular activity should be provided for student
Teachers are well accredited The environment in the campus is reflective.
The teachings is very good. Every faculty members are very energetic and helpful to us
By using board - chalk, would be more better for understanding or clearing concepts rather than using PPT
Use of PPTs must be avoided while teaching instead help us teach through videos or animations or practical learning for better understanding. Teachers shall stop doing partiality between students based on their marks n grades.
conduct Activities, more interactive , encourage
1.MAKE CLASSROOMS FULLY AIR CONDITIONING.
Very thing is up to the mark
They should give importance to everyone of us and go slowly so everyone can understand and teach every single steps properly with good examples
No suggestions
Very good experience in teaching
Nice environment for better leaning
1)Focus on corporate training. 2) Focus on providing internship from the start. 3)Focus on teaching new technologies and areas.
Overall teaching technique and faculty is best
Activity based studying 2 clear and loud speech 3 overall everything is good
Teacher's are giving there best . Sometimes the subject is not that good which can be explained in detail .
Presentation can be bit more engaging
Motivate students. make us more aware or discuss pharmacy scope . Tell as many as application of importance of topic what are they teaching
