Report on Inclusive Design workshop in association with CNEA & IPDC under Karyashala, AIKTC SoA

"Opening Minds To Universal Design Thinking" was the workshop organized under the umbrella of 'Karyashala-AIKTC' in collaboration with CNEA and IPDC of AIKTC. The workshop was conducted by Dr. Kavita Muugkar, Pune.

Universal Design is an inclusive concept and design approach that caters to needs of diverse kinds of users in the society irrespective of their individual differences to maximize usability of products, services and the built environment.

The Workshop was conducted on 27th June 2022 from 10.00AM-05.00 PM. The Workshop had begun with a theory presentation about Universal design practices and its importance which created a major impact on thought process of students. In the second part students explored the campus accessibility through means of handling of certain tools. Third part of workshop was about inclusive design solutions to some of the building typologies where students presented their work at the end of the session.
