**Report on Seminar by Ar. Jai Narayan**

**Architect Jai Narayan** is a qualified architect and graphic designer, based in Bangalore. At a young age, Ar. Jai had to overcome an unexpected challenge of blindness by a genetic medical condition. Taking up this challenge positively, he changed his career to a communication skills trainer and professional speaker.

Ar. Jai uses his knowledge in architecture and design to develop his signature speeches.

He spoke to the students about challenges in professional life and the right steps to take when tackling them with the correct attitude.

The lecture ended with an interaction with the students asking an array of questions regarding their design processes and project management.
