NAME OF RESOURCE PERSON/ORGANISATION: PROF. CHAYA S

RELEVANCE TO PO WITH LEVEL:

Total students = 15

DESCRIPTION OF EVENT IN 50-100 WORDS:

The SDL provided an insight into the concepts of Python which is a widely used general-purpose, and high level programming language. It is mainly developed for emphasis on code readability, and its syntax allows programmers to express concepts in fewer lines of code. 'Python Data Types', 'Operators', 'Input and Output', 'Flow Control', 'Functions and File Handling' were few topics that will be dealt during the Sessions.
