Description:

Institution's Innovation Council (IIC) of Anjuman-I-Islam's Kalsekar Technical Campus, New Panvel celebrated National Science Day- 2022 and organized a session on "Joy of Science: A Leadership Journey of a Student" under the IIC celebration activity on 28 February, 2022 via an online mode. In India, February 28 is celebrated as National Science Day. We celebrate the discovery of the Raman Effect by the great Indian scientist "Sir Chandrasekhara Venkata Raman". Sir Raman, on this date i.e. February 28, 1928 had invented the Raman Effect. For his contribution in the field of science, he was awarded with Noble Prize in the Physics in the year 1930.

The speaker of the session was Dr. Sayed Mohsin, Director, Centre for Digital Media, Crescent Institute of Science & Technology, Chennai. He talked about various leadership qualities needed in the field of science. He discussed about his journey how he achieved the leadership position starting from science. We are grateful for the time and effort Dr. Sayed Mohsin took to share his knowledge and experience with the participants. The session was very interactive. The expert also answered the queries of all the participants. Feedback from all the participants was taken through a google form.

Impact Lecture Series: Session-I

Lecture 2

Session on “Citius, Altius, Fortius: How to Achieve Excellence in Research & Innovation”

Speaker:

Prof. G. D. Yadav, National Science Chair, SERB/ DST, Government of India.

Professor Ganapati D. Yadav is one of the topmost, highly prolific, and accomplished engineering-scientists in India. He is now selected as the National Science Chair (Mode I) by the Science & Engineering Research Board of the Department of Science & Technology, Govt. of India, which is a very prestigious national honour. He also holds the titles of Emeritus Professor of Eminence and was bestowed with J.C. Bose National Fellowship by DST since 2010 until recently.

He is internationally recognized by many prestigious and rare awards as an academician, researcher and innovator, including his seminal contributions to education, research and innovation in Green Chemistry and Engineering, Catalysis, Chemical Engineering, Energy Engineering, Biotechnology, Nanotechnology, and Development of Clean and Green Technologies. For 10.5 years, he served as the Founding Vice Chancellor and R.T. Mody Distinguished Professor, and Tata Chemicals Darbari Seth Distinguished Professor of Leadership and Innovation at the Institute of Chemical Technology (ICT), Mumbai, which is a Deemed-to-be-University having Elite Status and Centre of Excellence given by State Assembly on par with IITs/IISc/IISERs. He serves as the Adjunct Professor at University of Saskatchewan, Canada, RMIT University, Melbourne, Australia and Conjoint Professor, University of New Castle, Australia. He was conferred Padma Shri, the fourth highest civilian honour, by the President of India in 2016 for his outstanding contributions to Science and Engineering. He has been recipient of two honorary doctorates: D. Sc. (Hon. Causa, DYPU) and D. Eng. (Hon. Causa, NIT Agartala). As the Vice Chancellor he created many records.

His research productivity is phenomenal with supervision of 107 Doctoral and 135 Masters Theses, which is the first record in ICT and for any Engineering Professor in India. Besides, he has supervised 47 post-doctoral fellows, several summer fellows and research staff. He has published 507 original research papers, 115 granted national and PCT patents, 8 new patent applications; 3 books; h-index of 64, i10 index of 321; 15,500+ citations in journals, patents, books, and monographs, and 850+ specials lectures/orations/seminars over the years. He is still actively involved in guiding 15 doctoral students, patenting, publishing, consulting, and transferring technologies to industry.

Under his dynamic leadership, ICT made phenomenal progress having been declared as Category I institute, having started 23 new academic programmes, 5 new Departments and several Centres of Excellence, and establishment of two off-campus in Bhubaneswar with total support of IOCL and Marathwada with total support of Govt. of Maharashtra, and collected phenomenal funds. The ICT is listed in top 100 institutes in the Developing World by Times Higher Education Ranking in

2019. The Atal Innovation Ranking of MHRD has placed ICT as number 1 among Govt. funded Universities. He has personally won over 125 national and international honours, awards, fellowships, editorships, and several Life Time Achievement Awards by prestigious industrial organizations; For instance, Zaheer Husain Medal of the Indian National Science Academy, Jai Krishna Memorial Award of the Indian National Academy of Engineering among many others. He is an elected Fellow of Indian National Science Academy, Indian Academy of Sciences, National Academy of Sciences, India, Indian National Academy of Engineering as well as The World Academy of Sciences, Trieste (TWAS). He is a Fellow of Royal Society of Chemistry, UK, Institution of Chemical Engineers, UK, Indian Institute of Chemical Engineers, Indian Chemical Society, and Indian Society for Technical Education, among others. He is currently the President of the Indian Chemical Society and Editor-in-Chief, Journal of the ICS being published by Elsevier.

He is also a member of Apex Council of Indian Oil R&D; Expert Advisory Committee, ONGC Energy Centre (OEC); Glexcon India Advisory Board on Process Safety and the Governing Council DBT-IndianOil Energy Centre, and member of the DBT-Pan IIT Centre for Bioenergy. He is Chairman of DST's National Expert Advisory Committee on Innovation, Incubation and Technology Enterprise, member of Advisory and Screening Committee of the Common Research and Technology Development Hubs of DSIR, Chairman, PAC of International Programmes in Chemical Sciences and Engineering, DST and Chairman, Expert Committee, Waste Management Technology, DST. He is a member of the Maharashtra Govt's Expert Committee on implementation of the National Education Policy (NEP 2020).

He had the honour of addressing 3 Convocations of renowned universities in India. He is fond of literature, etymology, and Sanskrit. The ICT's University song is written by him. There are over 65 video clips covering his biography (both English & Marathi), orations, lectures, panel discussions, interviews, etc. on YouTube.

Lecture 4

Session on “10 Things No One Will Teach You About Entrepreneurship”

Speaker:

Mr. Saurabh Sinha, Founder & Managing Partner, Rein Labs India Private Limited, Navi Mumbai.

A serial social entrepreneur, Saurabh is passionate about rekindling the spirit of Innovation in people to enable them solve social challenges. Through REIN Labs, he and his team are focused on partnering individuals and organizations in their Research, Innovation and Incubation pursuits. To foster an environment of innovation and research at an early age in children, they are partnering a network of colleges in Navi Mumbai to run their incubation cells with a focused syllabus. They are deeply involved in helping potential entrepreneurs move their ideas to a minimum viable product stage.

Some of the sectors he and his team support are Education, Farming, IOT, Dairy, Fine arts of India. He is Mentor at CIBA (Navi Mumbai) and has been on the National Jury for NIC, YUKTI, SIH for MHRD and as a Jury for MSINS Maharashtra Startup Week. In his work ex of over 18 years spanning manufacturing and ecommerce, Saurabh set up the Digital Retail Solutions practice for Ugam and Datamatics. He has incubated some of the leading Merchandizing analytics platforms, Digital marketing tools and Digital content solutions and that have been used widely in the ecommerce industry in the US. He has worked closely with Merch ops, Digital marketing and Analytics teams of Target, ebay, Walmart, Staples, Sears, GAP, Williams Sonoma, Office Depot, Office Max, Costco and Home Depot to name a few.

He started his career in Electrical cable manufacturing and was part of Cable Corporation of India's New products team in launching House-wires as a consumer product. He is involved in working on a number of social projects and takes deep interest in anything that can help build capability in people and society to self drive change. Saurabh has a degree in Electrical Engineering from SPCE.

Institution's Innovation Council (IIC) of Anjuman-I-Islam's Kalsekar Technical Campus, New Panvel organized a session on "**Importance of Pitch Deck**" under the IIC Self Driven Activity on 18 August, 2022 via an offline mode.

The speaker of the session was Mr. Abdul Mazid Ansari, Head, AIKTC Incubation Centre, Anjuman-I-Islam's Kalsekar Technical Campus, New Panvel. A pitch deck is a brief presentation that gives potential investors or clients an overview of your business plan, products, services, and growth traction.

He talked about several key components to a pitch deck that include high-level summary slides, the problem you are addressing, the product, the market/strategy, the team, financials/projections, and the tone you want to convey. He discussed about the way to pitch about our start-up to get funding from Angel investors. We are grateful for the time and effort Mr. Abdul Mazid Ansari took to share his knowledge and experience with the participants. The session was very interactive. The expert also answered the queries of all the participants.

Description:

Institution's Innovation Council (IIC) of Anjuman-I-Islam's Kalsekar Technical Campus, New Panvel celebrated "WORLD ENTREPRENEURS' DAY-2022" and organized an awareness online quiz on "Entrepreneurship" under the IIC celebration activity on 21 August, 2022. World Entrepreneurs' Day is observed annually on 21 August. World Entrepreneurs' Day recognizes innovation and global advancement of entrepreneurship and leadership. It is well established that high-potential entrepreneurship that drives jobs at scale is born out of a culture of innovation and risk-taking. Entrepreneurship also breeds job creators as against job seekers, a crucial and fundamental aspect of India's economic growth.

Description:

Institution's Innovation Council (IIC) of Anjuman-I-Islam's Kalsekar Technical Campus, New Panvel organized a Demo session on "Business Plan/Prototype Developed & Linkage With Innovation Ambassadors For Mentorship Support" under the IIC calendar activity on 06 September, 2022.

An expert for the session was Dr. Mujib Tamboli, Assistant Professor and Ambassador-IIC, Anjuman-I-Islam's Kalsekar Technical Campus, New Panvel. He discussed about various aspect of start-up and innovation. He also explained about the preparation of Business Plan and prototype development. We are grateful for the time and effort Dr. Mujib Tamboli took to share his knowledge and experience with the participants. The session was very interactive. The expert also answered the queries of all the participants. Following students of AIKTC, New Panvel are linked with Dr. Mujib Tamboli for mentorship support:
