**HON. DR. ZAHIR I. KAZI (PADMA AWARDEE)
(HON. PRESIDENT)**

PRESIDENT'S DESK

We proudly acknowledge the dreams of the stalwarts who were part of the freedom struggle of India, realizing the need of an education system during the British rule. Due to their far-sighted vision, Anjuman-I-Islam on behalf of its 97 institutions and one lakh ten thousand students, fulfils the educational requirement of the most underprivileged sections of the society today. We wish to expand the magnitude of Anjuman-I-Islam by providing education par excellence at lowest possible cost and ensuring that no student is deprived of education due to lack of finance. Although Anjuman is a Minority organization but it has remained as a true symbol of Secularism and National Integration. Recently, Anjuman-I-Islam was conferred upon the prestigious Sir Syed Excellence National Award by Aligarh Muslim University (AMU). Anjuman-I-Islam is a symbol for its exemplary efforts and contributions in the field of education among the Muslims and marginalized sections of the society. In order to create international avenues and linkages for its students, faculty and staff, Anjuman-I-Islam established its first international chapter "Overseas Friends of Anjuman (OFA) Inc. in USA".
