School of Pharmacy

Student Satisfaction Survey 2023-24

The AIKTC's School of Pharmacy is a renowned institution committed to academic excellence and holistic student development. Established with a vision to impart quality education and empower students with the skills needed to excel in their chosen fields, AIKTC has been a beacon of learning since its inception.

The Student Satisfaction Survey at Anjuman Islam's Kalsekar Technical Campus was conducted to assess the overall student experience and gather feedback on various aspects of academic and campus life. The survey aimed to identify strengths and areas for improvement, enhancing the institution's commitment to providing a quality education environment.

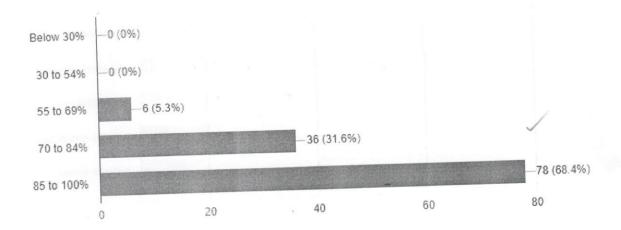

Methodology:-

The Internal Quality Assessment Cell (IQAC), in collaboration with department heads, has undertaken the administration of the survey. A Google form, comprising questionnaires specified by NAAC to evaluate various aspects of the teaching-learning process, was created and distributed to all students through their respective departments with the assistance of feedback coordinators, targeting students. A representative sample was chosen to ensure a comprehensive understanding of student perspectives. The survey included questions on academic experiences, campus facilities, student support services, and overall satisfaction. Almost 116 students appeared Student Satisfaction survey.

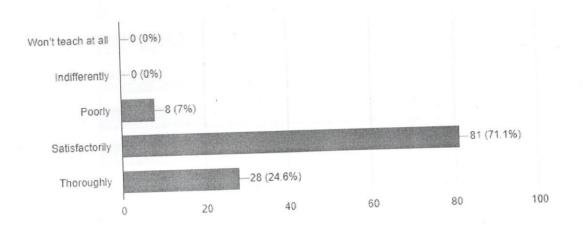

Essential Measures are implemented both at the School and department levels to enhance the overall teaching –learning experience for all stake holders.
