PROSPECTUS

(Late) Haji Abdul Razzak E. Kalsekar: A TRUE VISIONARY

Philanthropist & Pillar of Strength for Anjuman-I-Islam's Kalsekar Technical Campus, New Panvel

(16 July 1931 - 10 August 2015)

Haji Abdul Razzak Esmail Kalsekar, fondly remembered as 'Haji Saheb' was a true idealistic visionary. His clarion call to society "Quality Education is Mandatory for All" truly reflected his purity of thoughts.

His dedicated efforts to empower and enrich the society were based on the strong belief that Education is the pillar of any healthy society and only through Education we can eliminate the evils of poverty and disparity and build an equitable society. He was a man who didn't believe in just giving charity to the needy, instead he empowered them, strengthened their hands through EDUCATION, so that they can earn with dignity and serve the society.

"You carried us in your arms, cradled us in your heart.
You are now with the Protector,
You will always remain in our Prayers."

Lives of Great men all remind us We can make our lives sublime,
And departing, leave behind us, Footprints in the sands of Time.

You came into our lives, And left footprints in our hearts.
And we will never, ever be the same.
A humble tribute in gratitude

ANJUMAN-I-ISLAM
A PROUD HERITAGE

150 PLUS YEARS OF SERVICE IN NATION BUILDING

DR. ZAHIR I. KAZI
Padma Shri - 2024
President, Anjuman-I-Islam, Mumbai
MD, DMRD, M.B.B.S, FMRI (U.S.A.), MAIUM (U.S.A.)

Symbol of Secularism & National Integration

Successful Journey of 150+ Years

From humble beginnings, Anjuman-I-Islam has flowered into singular institution, unsurpassed in its efforts to spread education to the marginalized sections of the society. Anjuman-I-Islam has over a period of time, since its inception, grown by leaps and bounds, continuing to give quality education to its students. Today it runs more than 100 institutions and at a time approximately one lakh ten thousand students derive benefits from the education imparted by these institutions. It has about more than 3500 teaching and administrative staff who make these efforts a successful. Anjuman-I-Islam is leading educational conglomerate and social organization of India, established in the year 1874, by a group of visionaries led by Justice Badruddin Tyabji. Its first heritage structure came on the piece of land donated by Mr. Mohammed Ali Roghay. The Founders of Anjuman-I-Islam procatively participated in India's freedom struggle and established Anjuman-I-Islam as a symbol of Secularism and National Integration. It was also the beginning of a movement to support community's advancement in education and social standing. Today, after 150 years, Anjuman-I-Islam Trust runs under the dynamic leadership of Dr. Zahir I. Kazi (Padma Shri). He is a radiologist by profession. Anjuman-I-Islam has numerous Institutions from K.G (kinder garden) to diploma in Engineering, graduation and post- graduation in Engineering, Pharmacy, Architecture, Unani Medicine, Law, Arts, Commerce, Economics, Hotel Management and Catering, Management Studies, Home Science and Ph.D. in Engineering and Urdu across the state of Maharashtra in various cities like, Mumbai, Navi Mumbai, Raigad, Pune, Solapur, Panchgani etc.

Over the years, many national and International eminent personalities

visited Anjuman–I-Islam and applauded its Secular Credentials in National Integration.

Congratulations

ALL PROGRESS TAKES PLACE OUTSIDE THE COMFORT ZONE!

Dear Aspiring Student,

Welcome to Anjuman-I-Islam's Kalsekar Technical Campus (AIKTC), a symbol of academic excellence and inclusive education in Navi Mumbai.

AIKTC was founded through the visionary efforts of Anjuman-I-Islam, Mumbai - a historic institution serving the nation since 1874. With more than 100 institutions and more than 1.1 lakh students, Anjuman continues its mission of empowering the underprivileged through quality and affordable education.

Though a minority institution, Anjuman has always upheld the values of secularism and national integration. Its contribution to education and society has been nationally recognized, including the prestigious **"Sir Syed Excellence Award"** by Aligarh Muslim University. We also proudly operate our first global chapter - **Overseas Friends of Anjuman (OFA)** in the USA - to foster international collaboration.

At AIKTC, we offer you world-class infrastructure, experienced faculty and an ecosystem that nurtures innovation, creativity and professional growth. The campus is NAAC - accredited, ISO 9001:2015 certified, and supports all eligible government scholarships and financial aid schemes.

If you aspire to be a change-maker, this is your moment. Join us - and shape the future.

Warm regards,

DR. ZAHIR I. KAZI
President, Anjuman-I-Islam, Mumbai
(Padma Shri - 2024)

Dr. Zahir I. Kazi, Hon. President AI, had the honour of meeting with our Dynamic Prime Minister, **Shree Narendra Modiji.**

Dr. Zahir I. Kazi, Hon. President received the National Education Awardat an event organized by ABP News at Taj Lands End

WHERE ASPIRATIONS TAKE SHAPE

Greetings from AIKTC

Anjuman-I-Islam's Kalsekar Technical Campus

Where Aspirations Meet Innovation, you are stepping into an era driven by science, technology, and innovation.

From AI, machine learning, robotics, and automation in engineering, to smart, sustainable design in architecture, and advanced research in pharmacy, the way we live, build, and heal has completely transformed. The future demands professionals who don't just adapt, but lead. At AIKTC, we shape committed students into Architects who design the future, Engineers who build it, and Pharmacists who care for it.

Our campus brings together the best mentors and resources to train you for both employment and entrepreneurship, with a strong focus on industry standards, research, and nation building. We also believe education should be inclusive. AIKTC is committed to supporting students from all backgrounds, ensuring that nothing stands between you and a globally relevant degree.

Through Anjuman-I-Islam, AIKTC envisions excellence in technical and professional education to help you become competent, confident, and future-ready. If you want what you've never had, you must do what you've never done. If you've found your purpose and are ready to take the next step, AIKTC is for you. Welcome to a vibrant campus of holistic learning, innovation, and impact.

Mr. Moiz Miyajiwala,
Hon. Vice President,
Anjuman-I-Islam

DREAM AND MANIFEST!

Dear Student,

Congratulations on reaching this important milestone in your academic journey! Your dedication and focus have brought you to the doorstep of higher education, and we're delighted to welcome you to Anjuman-I-Islam's Kalsekar Technical Campus (AIKTC).

This opportunity is made possible by the unwavering efforts of institutions like Anjuman-I-Islam, which has been providing affordable quality education for over 150 years. My father, the Late Haji Abdul Razaq Kalsekar Sahab, believed that educating someone is the noblest act - one whose impact lasts a lifetime.

Among the many institutions under Anjuman, AIKTC stands out for its commitment to advanced technical education. With **NAAC accreditation, ISO 9001:2015 certification,** and preparation for the **NBA,** the campus continues to evolve and grow.

I encourage you to dream big, take bold steps, and turn your aspirations into achievements. A right decision at the right time can transform your future.

May the Almighty bless you with success and guide your journey ahead.

SALIM ABDUL RAZZAK KALSEKAR
Chairman,
A.E. Kalsekar Education & Welfare Trust,
Mumbai.

ESCAPE THE ORDINARY!

Dear Student,

A warm welcome to Anjuman-I-Islam's Kalsekar Technical Campus (AIKTC) — one of the most distinguished institutions under Anjuman-I-Islam.

Since its inception, AIKTC has remained committed to delivering quality technical education through honest efforts and a strong academic culture. We continuously upgrade our teaching methods — both online and offline — to stay in sync with industry trends. Even during the pandemic, we ensured uninterrupted learning through virtual classes and online labs.

Our campus is NAAC accredited, ISO 9001:2015 certified, and actively working towards NBA accreditation to enhance research and academic excellence.

At AIKTC, we help students grow in knowledge, skills, and character. By the time you graduate, you'll be ready to take on real-world challenges with confidence and competence.

Wishing you a fulfilling academic journey and an inspiring time on our campus.

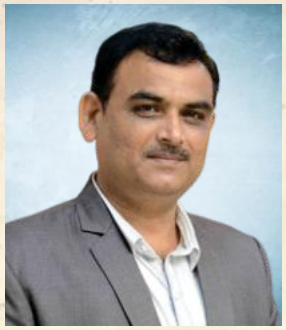

"With You... Till You Do Not Need Us — In Any Way."

Mr. Burhan Harris,
Hon. Executive Chairman,
Board of Institutions in
Navi Mumbai, A.I.

DIRECTOR'S MESSAGE-AIKTC
Involve yourself to evolve excellence

It is with great pride and joy that we celebrate 16 years of innovation, leadership, and learning at Anjuman-I-Islam's Kalsekar Technical Campus (AIKTC).

Since 2011, AIKTC has been a pioneer in offering multidisciplinary technical education in Architecture, Engineering, and Pharmacy, aligned with the vision of NEP 2020. Our integrated campus fosters inclusivity and prepares students to meet global challenges with confidence.

With state-of-the-art infrastructure and hands-on learning, students gain practical exposure through advanced tools, machines, and virtual labs. Our faculty go beyond conventional teaching, using modern methods like Outcome-Based Education (OBE), Project-Based Learning (PBL), Blended and Flipped Classrooms, and more — all aimed at building problem-solving, creativity, and collaboration skills.

We are proud of our students who, through the AIKTC Incubation Centre, start their entrepreneurial journeys even before graduation. Our global collaborations with institutions like MIT-USA and the University of Westminster further enrich student experience.

At AIKTC, we strive to develop academically strong, socially responsible, and industry-ready professionals, grounded in Universal Human Values and a positive mindset.

We invite you to become a part of the AIKTC community — where excellence is a journey, and the future is yours to shape.

DR. RAMJAN A. KHATIK
Director, AIKTC, New Panvel

DEAN'S MESSAGE - AIKTC'S SCHOOL OF ENGINEERING AND TECHNOLOGY

As the Principal of the School of Engineering and Technology (SoET), I am proud to share that our institute is equipped with state-of-the-art infrastructure and modern laboratories. Our highly qualified faculty come from diverse fields and bring with them decades of teaching and industry experience. We are committed to maintaining a tradition of academic excellence along with the overall personality development of our students.

The true purpose of education is to help students develop critical thinking and logical reasoning skills. We achieve this by offering a strong academic environment where learning is interactive, not just one-way communication. Our faculty work hard to use innovative teaching methods such as Outcome Based Education (OBE), Activity Based Learning (ABL), Project Based Learning (PBL), Blended Learning, and Flipped Classroom Techniques.

The Institute had a collaboration with one of the world's top universities, the Massachusetts Institute of Technology (MIT), Boston, USA. This collaboration helps our faculty and students learn about the best practices in engineering education. We at our institute conduct MIT-inspired add-on cum preparatory courses like statistics and Data Science for higher semester as well as project-based Technoscope courses for first-year students.

Our constant aim is to equip students with both technical and managerial skills, so they can contribute effectively to industry and society. Let us aim high, explore the depths of knowledge, and reach new heights through innovation. This journey will inspire a positive and proactive mindset.

I wish you a joyful and academically rewarding journey at SoET. I hope you will carry forward the pride and values of this esteemed institution. I warmly invite all students to visit our campus and experience its energy, diversity, and welcoming spirit.

The School of Engineering and Technology has implemented the autonomous syllabus in alignment with the National Education Policy 2020. This is a significant step in our institution's journey towards academic excellence, innovation and learner-centred education.

NEP 2020 has opened new pathways for higher education by emphasising flexibility, multidisciplinarity, skill development, research orientation and holistic growth. As an autonomous institution, we now have the responsibility and opportunity to design a curriculum that responds to the needs of students, society and the changing world of work.

DR. RAJENDRA B. MAGAR
Principal-School of Engineering & Technology,
AIKTC, New Panvel

DEAN'S MESSAGE - AIKTC'S SCHOOL OF PHARMACY

Greetings!!!

Healthcare and the profession of Pharmacy is constantly evolving globally. Pharmacists are playing a significant role in general health care, by contributing to greater life expectancy and better quality of life

The responsibility of a pharmacist therefore increases dramatically as there is an exponential increase in disease burden on society.

At AIKTC School of Pharmacy, we believe in producing multifaceted health care professionals with a strong commitment and deep desire to contribute to society. Established in the year 2011, the institute is being nurtured with utmost care by the team of dedicated faculty members and supporting staff with a vision to reach new heights in educational achievement. Our dedicated faculty helps and inspire students to achieve their goals

I invite you to be a part of this school of excellence to achieve a landmark in pharmacy education.

DR. SHARIQ SYED
Dean-School of Pharmacy,
AIKTC, New Panvel

DEAN'S MESSAGE - AIKTC'S SCHOOL OF ARCHITECTURE

Greetings!!!

What is architecture? is a question particularly asked by students who are looking for architecture as their future career. For me architecture is about happiness. The happiness of creation. that comes from within. A commitment to yourself to make somebody happy through our own creativity. Creativity is a science, that extracts realism from abstraction. Abstractions take place when one wants to express the process of thinking and interpretation of the contextual background. Architecture thus, is that science which bridges the gap between abstraction and reality through creative critical mind mapping. It is a science that turns imagination into design elements that caters to the future. Understanding culture, nature and the contextual background which can be expressed through different ideas of built forms is what is taught to students by our enthusiastic faculty at the School of Architecture. Here at SoA we inculcate a positive attitude, a sense of responsibility towards mankind and nature and respect for our tradition and culture in the students through our collaborative teaching methodology. Our students are our biggest assets and we nurture them with great care and work constantly towards their futuristic goals through our best possible teaching abilities. We try and promote a school of thoughts that enables the students to face all the challenges, ethically research and become creative thinkers for inventing sensitive designs. Architecture thus becomes the most interesting career option which works through a process leading towards the reality at AIKTC, School of Architecture.

Come join us for a life changing fun based learning experience of design and creativity!

PROF. RAJ MHATRE
Dean-School of Architecture,
AIKTC, New Panvel

Eligibility:
S.S.C or its Equivalent

B. Arch.

Eligibility:
H.S.C. in PCM / Diploma with Mathematics & Qualifying score in NATA.

SCHOOL OF PHARMACY

(UGC - AUTNOMOUS)

(DTE Code: PH 3439)

D. Pharm.

Eligibility: H.S.C. with PCB / M or equivalent examination

B. Pharm. (First Year)

Eligibility: H.S.C. in PCB / M or equivalent examination with at least 45%* marks & Non-Zero MHT-CET / Non-Zero Positive NEET Score

B. Pharm. (Direct Second Year)

Eligibility: Passed Diploma in Pharmacy with at least 45%* marks.

M. Pharm. Pharmacology

Eligibility: B.Pharm with at least 55%*** marks & Non-Zero Positive GPAT Score.

BACHELOR OF SCIENCE INFORMATION TECHNOLOGY

Eligibility: H.S.C. (XII Std.) with Mathematics & Statistics.

**40% marks, **45% marks, ***50% marks incase of BCC, EWS & PwD candidates belonging to Maharashtra State*
Eligibility criteria of admission to all courses may change as per competent authority.

- Modern Simulation Labs
- Hi-tech Workshops
- Training & Placement Cell
- Participation in Inter & Intra College Technical Exhibitions
- Human Resource Centre for Achievements, Reformation & Excellence (HR-CARE)
- Students' Amenities Centre and Cafeteria
- Centre for Peace & Spirituality
- Knowledge Resource & Research Centre (KRCC)
- Modern Library with e-journals and Digital Access

Vision

"To be the most sought after Technical Campus that others would wish to emulate."

Mission

Creating Exuberant Technical Professionals

Mission Elements

- *To implement the Outcome Based Education (OBE) Model to conform to our belief "Students Learn What We Teach".*
- *To encourage and upgrade teachers for innovative teaching skills, research and practice.*
- *To provide necessary facility, machinery, equipment, atmosphere and ambience that would enable quality academics, research and practice.*
- *To create an eco-system for professional competition, lifelong learning and reward mechanism.*
- *To prepare and encourage students for societal welfare activities, higher studies, entrepreneurship, employment, research and innovations to become a complete Human Resource.*

THE STRATEGIC PILLARS OF AIKTC

ABILITIES	KNOWLEDGE DOMAIN	QUALITIES
Leadership	Science & Maths	Innovative
Teamwork	Engineering Fundamentals	Strong Work Ethics
Communication	Analytical Skills	Ethically Responsible in a Global, Social, Intellectual and Technological Context
Decision Making	Open Ended Design & Problem Solving Skills	Adaptable in a Changing Environment
Recognize and Manage change	Multi-disciplinary within and beyond Engineering	Entrepreneurial & Intrapreneurial
Work Effectively in Diverse & Multicultural Environments	Integration of Analytical, Problem Solving & Design skills	Curious & Persistent Learners
Synthesize Engineering, Business & Social Perspectives		

To provide Educational Experiences that develop Students' knowledge areas, abilities and qualities to enable them to identify needs and construct effective solutions in an economically, socially & culturally relevant manner.

About the Programme:

The School of Engineering and Technology offers multidisciplinary, demand-driven courses that comply with NEP 2020 and address industrial needs. The institute hosts over 50 startups in its incubation center and continuously participates in national and international innovation competitions. We prepare stakeholders to tackle challenges and provide solutions for both industry and society at large. The institute also has a research center to promote a research culture. We have implemented the Outcome-Based Education (OBE) philosophy to inculcate graduate attributes in students and ensure their attainment. AIKTC SoET offers seven Undergraduate, two Postgraduate and one Ph.D program.

The Department of Civil Engineering boasts state-of-the-art facilities as well as highly experienced, well-qualified, and proactive faculty members. It has 9 laboratories, well equipped with modern machinery, equipment, and instruments necessary for testing, research, and development. Rich legacy of our students participation in various co-curricular and extra-curricular competitions at various premier institutions, and their work is always appreciated. We have 2 Postgraduate (PG) programmes in Construction Engineering & Management and Structural Engineering as well as a PhD research centre in Civil Engineering. Our PG and PhD students have set benchmarks by completing their courses within the stipulated duration and receiving accolades from the external examiners.

Vision

To be the most sought after academic, research & practice-based Department of Civil Engineering that others would wish to emulate.

Mission

Creating Exuberant Civil Engineering Professionals

I completed my B.E. in Civil Engineering from AIKTC in 2025 and feel proud to be an alumnus. The faculty were supportive, and the lab facilities were excellent for practical learning. The college provided a strong foundation and helped me grow both technically and personally. I'm truly thankful for the valuable experiences and opportunities.

COMPUTER ENGINEERING

Duration : 4 years **Intake : 120 Seats**

Computer Engineering is a huge spectrum having various domains like Computer Programming, Information Analysis and Prediction, Networking and Data Security, Internet and World Wide Web, Software Programming, Design and Development, etc. The world is advancing today at a rapid speed due to the use of computers in all fields of education, research, design and development. Programmers Club (By the students and For the students) is a worthy initiative providing guided freedom to our students for their creative expression. Young, enthusiastic, energetic and responsible faculty, staff and the state-of-art infrastructure are the key assets here.

Vision

To be the most sought after academic, research and practice-based department of Computer Engineering that others would wish to emulate.

COMPUTER SCIENCE & ENGINEERING (AIML)

Duration : 4 years **Intake : 120 Seats**

The CSE-AIML program effectively implements the Outcome-Based Education (OBE) model, ensuring that students gain a robust academic foundation paired with hands-on technical expertise that extends beyond traditional syllabi. By engaging in project-based learning, workshops, coding competitions, and internships, students are exposed to real-world problem-solving scenarios. The department is equipped with state-of-the-art laboratories, high-performance computing systems, and the latest AI/ML software tools, facilitating cutting-edge research and learning. Furthermore, students are encouraged to participate in intercollegiate events, hackathons, and AI innovation challenges, fostering practical experience and collaboration. The department actively works to build strong academic-industry linkages, supported by a team of young, dedicated, and qualified faculty members. With its focus on innovation and excellence, the department aspires to be a leading center for AI and Machine Learning education and research.

In today's rapidly evolving digital world, data has become the cornerstone of innovation, driving advancements across industries and reshaping the way we understand the world. Department of Computer Science and Engineering (Data Science) stands at the forefront of innovation, bridging the disciplines of computer science and data science to address the challenges of a rapidly evolving digital world.

The curriculum represents a blend of foundational principles of computer science with specialized data science skills. The department continuously strives to provide a strong foundation in computational thinking, data analytics, machine learning, and data visualization complemented by hands-on experience with cutting-edge tools and technologies.

The department takes pride in its team of qualified, experienced, and committed faculty members. As the demand for data-driven solutions continues to grow, we are dedicated to equipping our students with the skills and knowledge to harness the power of data for transformative impact. The department is dedicated to creating a strong platform for students to reach their career aspirations.

ELECTRICAL & COMPUTER ENGINEERING

Duration : 4 years **Intake : 60 Seats**

The Department of Electrical & Computer Engineering (ECE) at Anjuman-I-Islam's Kalsekar Technical Campus School of Engineering and Technology offers a dynamic environment focused on excellence in undergraduate education and research. With a strong foundation in both theory and practical application, the department prepares students to tackle complex engineering challenges and contribute to technological advancement.

Modern, well-equipped laboratories support hands-on learning and cutting-edge research across diverse areas such as Power System Restructuring and Reforms, Electric Vehicles, Embedded Systems and IoT, Smart Grids, Renewable Energy, Control Systems, and Artificial Intelligence. These labs foster innovation, encouraging student involvement in industry projects, research initiatives, and national competitions.

The department is led by experienced senior faculty with expertise in key domains like Power Systems, Internet of Things, and Computational Intelligence. Their active collaboration with academic and industry partners—both nationally and internationally—ensures a rich, multidisciplinary learning experience. Through mentorship and research, students are guided in developing critical thinking, technical skills, and professional growth.

Vision

To be the most sought after academic, research and practice based department of Electrical & Computer Engineering that others would wish to emulate.

The Department of Mechanical Engineering at Anjuman-I-Islam's Kalsekar Technical Campus (AIKTC) is committed to nurturing competent engineers equipped to meet the challenges of the modern industrial world. The department boasts state-of-the-art laboratories and workshops that provide students with extensive hands-on learning experiences. Guided by a team of highly qualified and experienced faculty members, students are encouraged to excel in academics, innovation, and professional development. The department has an excellent track record of student progression and placements, with many graduates securing rewarding careers in reputed organizations in India and abroad, particularly in GCC countries. Students actively participate in prestigious national-level technical competitions and professional events such as GO-KART, MEGA ATV, and SAE BAJA, fostering teamwork, leadership, creativity, and practical engineering skills. Through its commitment to quality education and holistic development, the department continues to produce industry-ready mechanical engineers and future leaders.

HUMANITIES & APPLIED SCIENCES

The department of Humanities and Applied Sciences (HAS) handles First Year of Engineering academics dealing with courses like Engineering Mathematics, Physics, Chemistry, Communication Skills, Universal Human Values and Indian Knowledge System. Along with the First Year, it also caters to higher-semesters subjects like Statistical Mathematics, Professional Communication & Ethics, etc. The ebullient and lively HAS team nurtures students of First, Second & Third year Engineering programs of AIKTC, by mentoring them, offering timely guidance and remedial teaching. Through the mentoring mechanism, HAS keeps track of slow learners and provides them with additional coaching.

The departmental laboratories like Physics lab, Chemistry lab and Language lab are fully equipped with the required number of experimental setups. The knowledge walls, handouts, teaching plan and examination-related guidelines are available in all the labs showcasing our student-centric approach.

DEAN- SCHOOL OF PHARMACY AIKTC NEW PANVEL

About the programme:

The Bachelor of Pharmacy (B.Pharm.) at AIKTC School of Pharmacy is a four-year, eight-semester undergraduate programme approved by the Pharmacy Council of India (PCI) and affiliated to the University of Mumbai. Designed in accordance with the latest PCI curriculum, the programme integrates core pharmaceutical sciences with emerging technologies such as Python programming, biostatistics, data analytics, machine learning, and AI-enabled healthcare applications. Students gain a strong foundation in drug discovery, formulation development, quality assurance, regulatory sciences, clinical pharmacy, and patient care. Through AIKTC's outcome-based education, industry-oriented learning, modern laboratories, research culture, and focus on innovation, graduates are prepared to become competent pharmacists, researchers, entrepreneurs, and healthcare professionals capable of addressing the evolving needs of the pharmaceutical and healthcare sectors.

Achievements, Events, Seminars & Workshops

At AIKTC School of Pharmacy, learning extends far beyond the classroom. The institute provides a dynamic academic environment where students actively engage in expert lectures, hands-on workshops, research conventions, industrial interactions, career development programmes, community outreach initiatives, and professional networking opportunities. Through collaborations with industry experts, researchers, healthcare professionals, and academic leaders, students gain practical exposure to contemporary advancements in pharmaceutical sciences, healthcare technologies, research, innovation, and entrepreneurship. These activities nurture critical thinking, leadership, communication skills, social responsibility, and professional competence, ensuring that AIKTC graduates are well-prepared to excel in the rapidly evolving pharmaceutical and healthcare sectors.

- World Pharmacists Day Celebrations and Community Health Screening Camps (Coordinators: Prof. Tabreskhan Pathan, Prof. Rashmin Sufiyan, Prof Abuzar Shaikh and team)
- CRT – TCS Mock Preparation (Coordinator: Prof. Foorkan Fakki)

- Career Guidance Programme for SSC & HSC Students (Coordinator: Prof. Ayesha)
- AIKTC in collaboration with Aristec Consultancy conducts a Value added 30 hour Certificate Course on "Clinical Research and Regulatory Affairs."

Vision

To be the most sought after academic, research and practice-based School of Pharmacy that others would wish to emulate.

Mission

Creating exuberant Pharmaceutical Professionals.

My time at AIKTC was enriched by the outstanding infrastructure and top-notch facilities available to students. The well-equipped laboratories provided hands-on learning experiences that complemented theoretical knowledge perfectly. The spacious library with an extensive collection of books, journals, and digital resources was my go-to place for academic research and personal study. Modern classrooms, advanced research labs, and excellent sports facilities were created. AIKTC's commitment to providing the best infrastructure played a significant role in shaping my academic and professional journey. I am proud to be an alumnus of an institute that prioritizes quality education through world-class facilities.

DIPLOMA IN PHARMACY (D.PHARM)

Duration : 2 years **Intake : 60 Seats**

Dr. Abusufiyan Shaikh (HOD)

The Diploma in Pharmacy program is a concise yet vital educational pathway, preparing students for pivotal roles within the pharmacy field. In our ever-changing healthcare environment, pharmacists are invaluable, serving millions of patients with medications each day. As integral contributors to the pharmaceutical and healthcare sectors, pharmacists not only prioritize patient well-being but also enhance access to crucial healthcare products.

Mission Elements

- To implement the Outcome Based Education (OBE) model in the department of diploma pharmacy to conform to our belief that Students Learn What We Teach.
- To encourage and upgrade teachers for innovative teaching skills, research and practice in the pharmacy.
- To provide necessary facilities, machinery, equipment, atmosphere and ambiance that would enable quality academic research and practice in Pharmacy.
- To create an ecosystem for professional competition, lifelong learning and reward mechanisms.
- To prepare and encourage students for the direction and carrier of their choice. Be it higher studies, entrepreneurship, employment, research and innovations.

Program Education Objectives

- Develop a comprehensive understanding of pharmaceutical sciences to serve as a responsible and professional pharmacist.
- Exhibit effective leadership and communication skills, utilizing modern tools to contribute meaningfully to society.
- Strive to become socially responsible and ethically strong professionals with a commitment to sustainable development and an entrepreneurial mindset.
- Show proficiency in staying updated on emerging trends and technologies, effectively applying this knowledge within their professional domains.

Vision

To be the most sought after academic, research and practice-based department of diploma pharmacy that others would wish to emulate.

Mission

Creating exuberant pharmaceutical professionals.

AIKTC

PROF. RAJ MHATRE
Dean, School of Architecture
B.Arch., M.Sc.(UK)

SCHOOL OF ARCHITECTURE

About Diploma in Architecture:

Founded in 2024 and affiliated with the Maharashtra State Board of Technical Education (MSBTE), the Diploma in Architecture is a structured three-year program that equips students with foundational knowledge in architectural design, building construction, and digital drafting. The curriculum emphasizes studio-based learning, site exposure, expert interactions, and technical proficiency, preparing students for advanced academic pathways (B.Arch), which aligns with the National Education Policy 2020.

About Bachelor of Architecture:

Architecture is the art and science of designing buildings and structures. It's a journey which requires Creativity, Passion, Confidence, Imagination, Good Communication, Drawing and Sketching skills. It includes within its scope the design of any built environment, structure or object, from Town Planning, Urban Design, Landscape Design to Furniture Design. The objective of the course is to nurture Young Professionals who are sensitive designers with sound technical knowledge to address societal concerns. This 5-year course is divided into two parts: one is the Basic Course (1st to 3rd year) and the other is Advanced Course (4th and 5th year). The First three years are more of self-exploration, interaction with small communities to understand their needs and Design for them. In the Advanced Course, the focus is to understand larger communities and masses to be able to design at the Urban / City level. Finally, one can say that Architecture is a very broad and humanistic field which demands you to be sensitive towards arts, aesthetics and possess sound knowledge in the fields of Engineering, Logistics and Ergonomics.

To be the most sought-after academic, research, and practice-based School of Architecture, shaping critical, to be the most sought-after academic, research, and practice-based School of Architecture, shaping critical, creative, and career-ready designers through hands-on creative, and career-ready designers through hands-on learning, design thinking, and real-world practice that others aspire to emulate. learning, design thinking, and real-world practice that others aspire to emulate.

SoA Mission

Creating Exuberant Architectural Professionals.

PROF. AMIT KADAM
I/C HoD, Diploma in Architecture,
AIKTC SOA

From the Head of Department :

Welcome to the Diploma in Architecture Program at AIKTC School of Architecture, where creativity meets technical excellence and ideas are transformed into meaningful spaces. Our program is dedicated to nurturing aspiring architects who are innovative, socially responsible, and equipped with the knowledge and skills required to address the challenges of the built environment.

Driven by our philosophy, "Ideate. Innovate. Implement.", we foster a dynamic learning environment that encourages curiosity, critical thinking, experimentation, and hands-on exploration. Our curriculum seamlessly blends architectural theory with practical application, enabling students to develop strong design capabilities, technical proficiency, and a comprehensive understanding of sustainable and context-sensitive architecture.

Learning at AIKTC extends well beyond the classroom. Through design studios, construction workshops, site visits, field studies, collaborative projects, and industry engagement, students gain valuable real-world experience while strengthening their analytical, creative, and communication skills. This holistic approach prepares graduates to confidently pursue higher education and excel in professional practice.

Our experienced and dedicated faculty serve as mentors, inspiring students to think independently, embrace innovation, and uphold the highest standards of ethics and professionalism. We believe that architecture is not merely about designing buildings—it is about creating environments that enrich lives, strengthen communities, and contribute to a sustainable future.

At AIKTC School of Architecture, every student is encouraged to explore their potential, challenge conventional thinking, and develop into a confident design professional. We invite you to join our vibrant academic community and embark on a transformative journey of learning, creativity, and discovery as you lay the foundation for a rewarding career in architecture.

ZAID INAMDAR

My five years at Anjuman-I-Islam Kalsekar Technical Campus laid the strongest foundation for who I am today as an architect. It was a place that turned ideas into real skills and dreams into direction. The ideas sparked there, the mentors who pushed my limits, and the countless late nights turned my sketches into reality — lessons I carry into every skyline I help shape today. Grateful to carry a piece of AIKTC wherever I design and dream.

AIKTC School of Architecture: Events, Seminars & Workshops

Karyashala on "Engendering Cities": As part of the Urban Elective for Final Year students, a two-day Karyashala (Workshop) titled "Engendering Cities" was conducted on 24th and 25th June 2024. The workshop was facilitated by esteemed resource persons Ms. Prachi Merchant and Ms. Snehal Velkar, focusing on inclusive urban development.

Film Making Workshop by Film Club: The Film Club organized a Film Making Workshop on 14th August 2024, featuring an engaging presentation and talk on the filmmaking process by renowned Film Editor Mr. Aasif Pathan. The session offered valuable insights into the art and craft of film editing and production.

Kolloquy: An Internship Seminar session was conducted on 5th August 2024, providing a platform for students to share and reflect on their internship experiences.

Art Club Inauguration: The AIKTC School of Architecture (SoA) launched its Art Club with an inaugural exhibition held from 22nd to 30th August 2024, showcasing a vibrant collection of sketches and paintings by students and faculty, celebrating the school's artistic talent.

Parents-Teachers Meet & Felicitation Program 2024: The School of Architecture organized the Parents-Teachers Meet & Felicitation Program on 7th August 2024 to foster meaningful parent-faculty interaction and to celebrate student achievements through a felicitation ceremony.

Literature and Music Club – Jamming Session: The AIKTC Literature and Music Club conducted a vibrant Jamming Session on 28th August 2024, providing a creative platform for students to showcase their musical and literary talents.

KRRC Faculty Katta – School of Architecture: The KRRC Faculty Katta for the School of Architecture was organized on 8th August 2024, facilitated by Mr. Kamlesh Gade and Ms. Shaheen Momin, fostering academic dialogue and faculty engagement.

Professional Practice Visit – UASPL, Belapur: A professional practice visit to UASPL, Belapur was conducted on 31st August 2024, offering students practical exposure to architectural practice and firm operations.

Theatre and Fashion Club – Styling & Professional Dressing Session: On 4th October 2024, the Theatre and Fashion Club organized a presentation and talk on Styling and Professional Dressing for Architecture students. The session, conducted by Ms. Ankita Das Gupta, offered valuable insights on grooming and the significance of professional attire in the architectural field.

Art Club – Tie & Dye Workshop: The Art Club conducted a creative Tie & Dye Workshop on 5th September 2024, allowing students to explore fabric art and express their creativity through hands-on design techniques.

First Year Induction Program 2024: The First Year Induction Program was held from 19th to 20th September 2024 to welcome newly admitted students and help them acclimate to the campus, academic framework, and peer community. Interactive sessions, a Treasure Hunt, and a creative Ciporex Model Making activity were conducted to promote teamwork, creativity, and problem-solving skills.

SMC Session on Coping with Exam Stress & Anxiety: The Student Mentoring & Counselling Cell (SMC) conducted a session on 30th September 2024 titled "Coping with Exam Stress & Anxiety", aimed at helping students manage academic pressure and maintain emotional well-being. A trained counsellor guided students through strategies like time management, relaxation techniques, and positive thinking.

SMC Session on Enhancing Interpersonal Skills: The Student Mentoring & Counselling Cell (SMC) organized a session on "Enhancing Interpersonal Skills" on 3rd October 2024, focusing on developing effective communication and interpersonal abilities essential for academic success and professional growth.

Study Tour to Bhuj and Ahmedabad – First Year B.Arch & D.Arch: A study tour for First Year B.Arch and D.Arch students was organized from 8th to 15th January 2025 to Bhuj and Ahmedabad, offering hands-on exposure to architectural heritage, traditional construction methods, and modern urban development in the region.

Karyashala – Academic Kickstarter to DD-1: As part of the Academic Kickstarter to DD-1 initiative, a Karyashala was organized on 28th June and 6th July 2024. The DD-1 Research Workshop, conducted by Ar. Jinu Kurien, aimed to guide final year students through the initial stages of their dissertation research process.

Karyashala – Academic Kickstarter to DD-2: As part of the Academic Kickstarter to DD-2 initiative, a Karyashala was conducted on 12th and 24th December 2024. The workshop, led by Ar. Jinu Kurien, supported final year students in formulating design strategies for their final design project.

Dawat-e-Iftar 2025: A blessed evening of togetherness and gratitude, Dawat-e-Iftar was successfully organized by the Council of Students (SoA & SoET) on 19th March 2025. The event brought students and faculty together in the true spirit of Ramadan, fostering unity, harmony, and cultural bonding on campus.

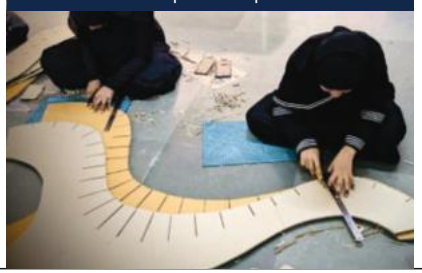

Kemu Iyer Design Competition 2024-25: The Kemu Iyer Design Competition was held on Saturday, 25th January 2025, with 14 participants from various colleges showcasing their creativity and design excellence in a competitive academic setting.

Karyashala – Engendering Cities: Driving Gender Inclusion for Better Cities: A two-day workshop titled "Engendering Cities: Driving Gender Inclusion for Better Cities" was organized under Karyashala for final year Architecture students as part of their Urban Electives. Held on 24th June 2025, the workshop featured an insightful introductory talk by Ms. Snehal Velkar (M.A. Social Work) and Ar. Prachi Merchant (Urban Planner), emphasized the importance of gender-inclusive urban design.

MASH-UP

Mash-Up is a week long event at AIKTC's School of Architecture. It is an event where 5 trophies are competed amongst the 5 years improving the skills in terms of students' Creativity, Festivity and Learning. It is a Combination of Skill, Talent, Technique, Sports, Array, Food and Fun. The class which wins the maximum trophies out of the five wins a master trophy called the TRIMASH. During the lockdown phase, this festival was scheduled online to see some amazing innovation and output from the winners.

TRAINING & PLACEMENT CELL

The Placement Office is responsible for campus placement at AIKTC. The placement officer, the departmental Placement co-ordinators and the student representatives handle various crucial tasks in the office like reaching out to companies, scheduling & executing placement related activities and carrying out all official communication with recruiters and with students. The Training and Placement Cell not only carries out the placement activities of the students but organizes various development activities that help in personality grooming and also gives them platforms to express themselves and enhance their soft skills. The team T&P endeavors to strike a match between recruiter expectations and student aspirations. The Placement Office is well- equipped with excellent infrastructure to support every stage of the placement process.

Activities of the Placement Cell :

- Soft Skills & Aptitude Training and other personality Development Programmes through Curriculum.
- Seminars, Special Lectures, Career Guidance Programmes and Entrepreneurship Development Programmes.
- Placed in Domestic and Multinational Companies through ON/OFF Campus Recruitment.
- Motivated and Assisted Students in Industrial Training and Industrial Visits.

School of Architecture	Rs. 47,628/-	Rs. 91,000/-	—	—	—	----

*Fees subject to change as per statutory authority

Scholarships (All Eligible Students):

Facilitated 19K+ Students for Rs.58 crores + Government Scholarship till date

DTE Minority Scholarship Rs.50,000/-per student): *http://www.mahadbtmahait.gov.in*

Economically Backward Class (EBC) Scholarship (50% Tuition Fees): *http://www.mahadbtmahait.gov.in*

Central Government Scholarship: Merit Cum Means Scholarship: *http://www.scholarship.gov.in*

Schemes available for Minority Students: *http//www.minorityaffairs.gov.in*

State Government Scholarship and Freeship for Reserved Category Students (50% of tuition fees for OBC students and100% of tuition fees for SC/ST/NT Students): *http://www.mahadbtmahait.gov.in*

100% of tuition fees for girls: *http://www.mahadbtmahait.gov.in*

Facilitated 4K+ Students for Rs.15 crores + Non government Scholarship till date

Career Katta:

(Career and Entrepreneurship Counseling, Skill Development, Internships, Placement, etc.)

Career Katta is an initiative of the Department of Higher and Technical Education, Govt of Maharashtra and in coordination with Maharashtra Information Technology Support Centre. The college conducts various activities to guide students about Career, Competitive Examination(UPSC, MPSC, Banking, SSB, SSC, Police, LIC, etc.), Entrepreneurship, Skill Development; Credit Earnings under new CBCS and NEP Curriculum Framework, Internship and Placement Opportunities, etc.

Eligibility to Join: Any student admitted for any regular course in the college or a college alumnus referred by College Coordinator.

Registration Fees: One-Time Rs. 365 for a Three-year degree period (Rs. 0.36 per day), which will be reimbursed in the form of a subsidy on examination charges of CBCS. It includes free access to all the activities, courses, State Level Competitive Exams, etc.

How to Register: Download the MITSC application from Google Play Store and pay fees using any online payment mode

College Code: Engineering-T1809, Pharmacy-T1810

Contact: For more details visit https://aiktc.ac.in/events/career-katta/ or contact Coordinator 87962 73059/72086 13550 or Career Katta Helpline 75076 52555

REFUND OF FEES

(a) The Candidate shall apply online for cancellation and submit duly signed copy of system generated application for cancellation of admission to the Institution. Once the candidate submits and online request for cancellation, his admission shall be treated as cancelled. The Institute shall consider the online request made by the candidate for cancellation as final, irrespective of whether he has submitted a duly signed copy of system-generated application to the Institute. Upon such cancellation, the candidate shall lose the claim on the seat and such seat shall become available for further allotment. If the candidate cancels admission on or before the last day for cancellation of seats with full fees refund as specified by the Competent Authority, the Institute shall refund the entire fees to the candidate after deduction of rupees one thousand only towards processing charges and return all his original documents submitted to the Institute within two days from submission of duly signed copy of system-generated application to the Institute; (b) Candidate shall not be entitled to any refund of his/her fee except the Security Deposit and Caution Money Deposit if the online cancellation is effected by the candidate after the last day for cancellation of seats with full fee refund as specified by the Competent Authority. Link for online cancellation for admission shall be deactivated after cut-off date.

Rules & Regulations

CONDITION OF MINIMUM ATTENDANCE:

The Students will not be allowed to appear for the examination if he/she does not attend a minimum of 75 percent of classes of theory, practical, drawing etc.

ACTION AGAINST RAGGING:

Maharashtra Prohibition of Ragging Act 1999 and Prevention and Prohibition of Ragging (Appendix 12 published in AICTE Approval Process Handbook (2011-12) and their amendments which may be published from time to time. The Maharashtra Prohibition of Ragging Act 1999, Which came into effect on 15th May, 1999 has the following provisions for Action against Ragging.

a) Ragging within or outside of any educational institution is prohibited,

b) Whosoever directly or indirectly commits, participates in, abets, or propagates ragging within or outside any educational institution shall, on conviction, be punished with imprisonment for a term up to 2 years and/or a penalty, which may extend to ten thousand rupees.

c) Any student convicted of an offence of ragging shall be dismissed from the educational institution and such student shall not be admitted in any other educational institution for a period of five years from the date of the order of such dismissal.

d) Whenever any student or, as the case may be, the parent or guardian or a teacher of an educational institution complaints, in writing, of ragging to the head of the educational institution, the head of the educational institution shall, without prejudice to the foregoing provisions, within seven days of the receipt of the complaint, enquire into the matter mentioned in the complaint and if, prima facie, it is found true, suspend the student who is accused of the offence, and shall, immediately forward the complaint to the police station having jurisdiction over the area in which the educational institution is situated for further action. Where, on enquiry by the head of the educational institution, it is found that there is no substance, prima facie, in the complaint received; he/she shall intimate the fact, in writing, to the complainant. The decision of the head of the educational institute shall be final.

e) If the Head of the educational institution fails or neglects to act in the manner specified in section "d" above when a complaint of ragging is made, such person shall be deemed to have abetted the offence and shall, on conviction, be punished as provided for in section "b" above. Any Acts or its amendments which may be published from time to time by AICTE Government or Judgments by the Hon. Supreme Court of India, The Hon. High Court of Bombay etc will be applicable to candidate and institution covered under these rules of Admission.

Admission Process

DTE Institute Code 3439

Advertisement of Admission Notification in:
Urdu Newspapers : Inquilab, Urdu Times, Ratnagiri Times
English Newspapers : Hindustan Times / D.N.A. / Indian Express
Marathi Newspapers: Lokmat / Maharashtra Times / Loksatta / Ratnagiri Times

1. Online registration of application and uploading of required documents by Candidate on CET Cell Maharashtra website.(https://cetcell.mahacet.org/)
2. Documents verification and confirmation of Application Form for Admission.
3. Display of the provisional merit list.
4. Submission of grievances if any.
5. Display of the Final Merit list.
6. Display of Provisional Category-wise Seats (Seat Matrix) for CAP Round 1
7. Online Submission & Confirmation of Option Form of CAP Round-I through Candidate's Login by Candidate.
8. Display of Provisional Allotment of CAP Round-1
9. Accepting the offered seat by candidate through his/her login as per Allotment of CAP Round I.
10. Reporting to Allotted Institute and Confirmation of Admission by submitting required documents and payment of fee after CAP Round I
11. Candidates who have allotted other than first preference in CAP Round-I and want betterment have to repeat steps from 6 to 10 to apply for CAP Round II.
12. Candidate who have allotted other than first three preferences in CAP Round-II and want betterment have to repeat steps from 6 to 10 to apply for CAP Round III.
13. Candidate who have allotted other than first six preferences in CAP Round-III and want betterment have to repeat steps from 6 to 10 to apply for CAP Round IV.
14. For vacant seats if any after CAP Round IV admission will be in following manner-
    - Display of vacant seats on institute website and advertisement in the News Paper.
    - Invite applications from registered candidates.
    - Prepare and display Merit List on college website and Institute Notice Board.
    - Carry out/ Completing Admission Process by following Government Admission Rules.

***The above process may change as declared from time to time by appropriate authority.**

SCHOOL OF ENGINEERING & TECHNOLOGY

DTE Code
EN3439

Eligibility Criteria for admission to First Year Bachelor of Engineering (B.E.)

Eligibility Criteria for Maharashtra State Candidature Candidates & All India Candidature Candidates, Union Territory of Jammu and Kashmir and Union Territory of Ladakh Migrant Candidature Candidates.

(i) The Candidate should be an Indian National;

(ii) Passed HSC or its equivalent examination with Physics and Mathematics as compulsory subjects along with one of the Chemistry or Biotechnology or Biology or Technical Vocational subject or Computer Science or Information Technology or Informatics Practices or Agriculture or Engineering Graphics or Business Studies and obtained atleast 45 % marks (at least 40 % marks, in case of Backward Class categories, Economically Weaker Section and Persons with Disability category candidates belonging to Maharashtra State), in the above subjects taken together;

AND

The Candidate should have appeared in all the subjects in CET and should obtain non zero score in CET conducted by the Competent Authority or should obtain non zero positive score in JEE (Main).

OR

(ii) Passed Diploma in Engineering and Technology and obtained at least 45 % marks (at least 40 % marks, in case of Backward Class categories, Economically Weaker Section and Persons with Disability category candidates belonging to Maharashtra State);

Eligibility Criteria for admission to Direct Second Year Bachelor of Engineering (B.E.)

Eligibility Criteria for Maharashtra State Candidature Candidates & All India Candidature

(i) The Candidate should be an Indian National;

(ii) Passed minimum three years or two years (Lateral Entry) Diploma Course in Engineering and Technology with at least 45% marks (40% marks in case of Candidates of Backward Class categories, Economically Weaker Section and Persons with Disability category belonging to Maharashtra State) in any branch of Engineering and Technology from an All India Council for Technical Education or Central or State Government approved Institution or its equivalent;

OR

(ii) Passed B.Sc.
